

SJCCA Dance Fair Share

2020-2021

The Dance Fair Share (DFS) is a yearly fee that is paid by the dancers and their parents to help cover expenses incurred by the dance department. Unfortunately, the school system is not able to cover all of the costs of this active program and the DFS will help guarantee your student receives a quality arts education in dance. These expenses can include guest artist classes/choreography, workshops, costuming, transportation, field trips, equipment, supplies, PPE, etc.

These opportunities enhance the quality of learning and they are invaluable in their capacity. As some of you will learn, or may already know, being a dancer is expensive. An average dance studio charges about \$60-\$80 per class, per month. This is for one hour a week in one genre of dance. That itself, would be \$600-\$800 for 10 months. This cost does not include multiple classes, recital fees, costume fees, or choreography and guest artist fees. SJCCA dance students are getting daily education in multiple genres of dance during their school day, which is an amazing thing. This Fair Share fee is pretty much all we have. **The due date for this Fair Share is October 30th.**

All dance students are expected to participate in any fundraising activities throughout the school year to continue supporting and promoting our growing program.

The dance fair share for the 2020-2021 school year is as follows:
