

Publications, Video, Internet Consent And Release Agreement

Students who attend school in the St. Johns County School District are occasionally asked to be a part of school and/or District publicity, publications, and/or public relations activities. In order to guarantee student privacy and ensure you agree with your child's participation, the District asks that you sign this form and return it to the appropriate school for each of your students.

The form referenced below indicates approval for the student's name, picture, art, written work, voice, verbal statements or portraits (video or still) to appear in school publicity or District publications, videos or on the District's website. For example, pictures and articles about school activities may appear in local newspapers or district publications. These pictures and articles may or may not personally identify the students; the District may also use the pictures and/or videos in subsequent years.

I also give my permission for images, moving and still, of my child to be used as part of the 2020-21 school-based distance learning. I understand that these images may be posted to Schoology for other students to view as part of the established curriculum.

St. Johns County School District agrees that the student's name, picture, art, written work, voice, verbal statements or portraits (video or still) shall be used only for public information, school or district promotion, publicity and instruction.

Student and parent/guardian understand and agree that:

- No monetary consideration shall be paid
- Consent and release *have* been given without coercion or duress
- This agreement is binding upon heirs and/or future legal representatives
